2494	5	simply awesome	superb and attractive item i like it so much i dont have any words to say go for it rit now friends	Positive
2495	5	best in the market!	the headphones indeed are one of the best in the price range the bass is good and battery power is really cool	Positive
2496	4	pretty good	i am in love with this headphone sound quality top notch build quality could be mote better but its not a big deal if we see price then its justified you can bilndly go for it	Positive
2497	4	pretty good	just good i buy for gaming use mostly for pubg bt little bit delay in sound and i will say wired headphones are the best for perfect audio quality its good if you just want listen songs not for pubg	Positive
2498	5	perfect product!	it is a very good looking product and you can feel that the plastic and the built look very premium but i dont feel there is any extra bass in that the sound quality is ok but nothing impressive but the money what you are paying you are getting a excellent product	Positive
